

What is Operation Hope?

- A mission organisation based in the UK and Kenya with a passionate heart and vision for the continent of Africa
- Our Vision is to reach a million souls in Africa
- We are well on the way
- We have a big top circus tent seating 3000 people for evangelism events
- We will be moving around Africa holding tent missions and open air crusades
- We are seeking to acquire 2 stage trucks for regular mobile evangelism to thousands of people
- We are seeking to acquire a large platform and sound equipment to do stadium size events.
- We intend to set up bible schools to train pastors and support them spiritually
- We have feeding programs to both feed stomachs as well as hearts
- We also hold conferences in partnership with churches to equip and empower the local church.

Operation Hope is a charity registered in England and Wales (1194321) and is registered as Faith Operation Hope International a company limited by guarantee in Kenya.

Join with us and be a partner What is a ministry partner?

Someone who helps us in one or all of these three ways

- Prayer (Praying regularly for the ongoing work and needs of Operation Hope)
- Giving Financially (Are you able to make a one donation to our missions work? Or even a regular standing order on a monthly basis)
- Helping practically (We have much to do to run a ministry like this. We want to take anointed ministers to Africa. We need help fundraising. Can you help?)
<http://www.operationhope.co.uk/how-you-can-help.html>
- Are you able to hold a local prayer group for the work of Operation Hope. Maybe you could pray each month?
- Would you be able to host someone from our team in your church.

It really helps to be able to share the vision as wide as we can.
